

## CANDY FACTORY PARTY

Birthdays can be sweet – especially when they take place in an old-fashioned candy factory. Indulge in sweet excess by celebrating your special day at one of the area's most celebrated candy makers. Explore the factory and watch as lollipops, candy canes, and other confections are stretched, squished, and twisted into shape by gourmet candy chefs. After the tour, there's plenty of time for pizza, candy-themed games, and a chance to create your own chocolate covered treats. When the party's over, everything you've made goes with, allowing you to enjoy that sugar high for days to come.

- Begin with a short video about the history of Hammonds and a private tour of the factory
- Retreat to the kitchen to make chocolate coated pretzels, marshmallows and cookies
- Retreat to a private party room for pizza and games, including Candy Bingo and Charades
- Finish the day with a bag full of goodies and a photo in front of a classic candy delivery truck
