

SHOP WITH MAKEUP ARTIST FOR TWO

It's a hue you! Tap into the trends and take home a new technique or two on a private shopping experience with professional makeup consultant, Raychel Wade. Clear out the clutter and weed through the contents of your cosmetics bag to decide what stays and what's played. Then hit the counter together, to sample shades and try out new looks that complement your signature style. Stop wasting money on products you don't need and learn to choose cosmetics with confidence.

- Rendezvous at the makeup counter to meet your personal shopper
- Assess your current cosmetic inventory to learn what works, what doesn't, and what could be used differently
- Find flattering shades and choose new products with help from an industry pro
- Learn tips and tricks for looking good in less time and how to bring out your best features
