

WIND TURBINE TOUR

Catch wind of this! Climb 2,000 feet for an eco-exploration of the expansive Palm Springs windmill farms. Feel the whoosh as you come face to face with the impressive giant wind blades gracefully whirling as they create a clean and quiet energy source. A knowledgeable guide will explain the history of wind energy, how it's currently used, and the potential it holds for the future. It's the ultimate power trip of the fun and scientific kind.

- Travel to and from the wind farm site in fully-equipped, luxury Hummer
- Tour a forest of gigantic wind turbines and discover where power is born
- Take in spectacular mountain vistas and scenic views while exploring the plant
- Leave with a new appreciation and understanding for this amazing renewable energy
