

WOLF WATCH EXPERIENCE FOR TWO

It's the call of the wild! Witness the company of wolves with an exciting excursion to the only wolf and wildlife preserve on the East coast. Learn from the people who raise and care for the wolves about the animals' evolution and history, their behavior and sociology, how they interact with humans, and more. Safely look on from the observation area as these amazing animals play, interact, and maybe even howl!

- Begin with a scenic walk or bus ride to the Preserve where you'll first meet foxes and bobcats
- Enjoy an informal discussion with an animal expert who will share insights and answer questions
- Observe four different packs of wolves and witness first hand how they live and play
- Take home a commemorative magnetic picture
