

PRIVATE PHOTOGRAPHY WORKSHOP FOR TWO

Point and shoot! Get into the right frame of mind with a private lesson in landscape photography. The choice is yours - capture the coastal beauty of Monterey or zoom in on the breathtaking views of Yosemite Park. Learn from a veteran photographer, from the Ansel Adams Gallery, a variety of photographic formats and techniques that include composition, exposure, and lighting. Whether you are an absolute beginner or a seasoned shutterbug, your workshop will be specially tailored to target your interests and abilities.

- Select either a Yosemite Park or Monterey experience
- Meet your instructor for a private, all day, one-on-one photography lesson
- Focus on the tips and techniques that matter to you most
- Spend the day putting to practice what you learned in a scenic, natural setting
- Includes lunch and refreshments
