

CUSTOM BALMS AND LOTIONS

Calling all kitchen beauticians! Grab a friend and take a seat in our workshop for a private lesson in creating custom lotions, creams, balms and bath salts. Learn how to use simple kitchen tools, basic ingredients, and essential oils to emulsify, blend, and scent your own body products. Explore the many physical and emotional benefits of therapeutic-grade essential oils. At the end of the day, take home your custom creations that will keep you glowing from head to toe!

- Arrive at the store for an introduction and instructions for the hands-on workshop
- Choose from a wide selection of essential oils and natural ingredients
- Learn the basics for creating your own personal collection of body products
- Make and take home a jar of cream, a batch of lip balm, and a bag of scented bath salts!
