

SCHOONER SAILING ADVENTURE

Enjoy the sights and sounds of New England aboard the tall ship, Mystic Whaler. Built in 1967 and rebuilt in 1993, the Mystic Whaler is an amazing replica of a historic schooner ship. The tallest of “tall ships” this 83-foot schooner recalls the history of maritime life in Mystic in the 1800’s when quick sailing vessels were built for the highly profitable trades of whaling and fishing. Help the crew hoist the sails or just roam the decks, with each voyage beginning with an underway tour of the Thames River, with Fort Trumbull and Fort Griswold overlooking the river and Avery Point and Ledge Light lighthouses protecting its entrance. Everywhere you turn you will see the kind of scenic beauty that takes your breath away.

- Sail aboard the Mystic Whaler with an experienced crew of sailors navigate as they chart the course for a five hour day sail
- Explore the scenic waters, lighthouses, and coastlines of Fisher’s Island Sound
- Enjoy a hearty, lunch under sail and feel free to bring along alcoholic beverages, including wine and beer – non-alcoholic beverages are included with lunch
- Take in the air on the water and delight in the musical offerings of the on board musicians as you relax on this unique schooner adventure
