

## LEARN TO WINDSURF

Gone with the wind! Check in to boarding school and enjoy an exhilarating three-hour windsurfing lesson. Learn the fundamentals including wind and sailing directions, basic board and sail handling skills, balance, and steering from an experienced instructor in a relaxed setting. Ideal for all ages, windsurfing is easy to learn and you don't have to be in great shape to enjoy it. After just a little bit of instruction and guidance, you'll be sailing the basics confidently.

- Begin on land with a step-by-step simulation of what to expect in the water
- Learn the intricacies of balance and basic windsurfing techniques
- Gear up and get your feet wet, performing basic maneuvers right off the beach
- Leave with the confidence to proficiently take off and return to your starting point with ease
- Includes all gear and everything you need to get sailing
