

POOL LESSON

Rack 'em up! Sharpen your skills and bring out your "A" game with a private pool lesson at one of the #1 rated pool halls in America. Work with a professional pool player to improve your stroke and refine your technique. From cue ball control to cut shots, breaking to back spins, choose what angles you want to concentrate on. Following your lesson, enjoy additional time on the tables to put what you learned into play.

- Learn tricks and techniques from a professional pool player
- Continue practicing your newly acquired skills with an extra hour of table time
- Enjoy the ambience of one of the top billiard clubs in the country - the original home of the Black Widow
- Great experience for players of any level
