

## BIRDS OF PREY IN FLIGHT

Get a birds eye view with a fascinating adventure! Join one of the country's premier experts and educators outdoors for an unforgettable flying demonstration. See first hand how a trainer anticipates a bird's actions and calls the bird back to his fist. This one-of-a-kind experience includes insight and anecdotes, as well as the chance to see a hawk or falcon up close like you've never seen before!

- Witness the amazing grace and precision these birds exude as they fly back to strike the lure
- Learn the history, terms, and techniques related to the 4,000 year old sport of falconry
- Enjoy a rare, intimate opportunity to see these magnificent birds close up and in action
- Learn how to handle Birds of Prey with a hands on experience
- Take a tour of the center and receive a memento of your visit
