

CITY GARDEN FAMILY BIKE TOUR

Nature's calling! Add a splash of petal power to your next family outing with a guided bicycle tour of Chicago's scenic gardens. Enjoy a daytime ride through Museum Campus and Grant Park, pedaling past popular sights that include Millennium Park, Soldier Field, and Buckingham Fountain. Learn from a knowledgeable guide how this once industrial, railroad area transformed into one of the city's most beautiful assets. This leisurely ride is specially designed to accommodate a variety of ages and fitness levels.

- Meet your guide at a designated area to gear up and become familiar with your bike
- Set off for the sights as you pedal around downtown at a casual pace
- Enjoy the city's scenic parks, lush surroundings, and beautiful skyline views
- Includes bicycles and safety equipment for four
