

GOLD MINING ADVENTURE

Do you mine? Let them call you a gold digger - you never know what you might find in those hills! Experience the thrill of America's Gold Rush era and learn how to pan for gold. Venture 60-feet underground and travel through the historic mine's massive tunnel network, as recently featured on the Discovery Channel®, complete with the original track system. When you've finished exploring, learn the age-old practice of panning for gold with the help of an experienced guide. Take home whatever treasures you find!

- Begin with a guided tour of an underground mine that dates back to the 1800s
- Hear the history and see actual equipment originally used by the early miners
- Learn and discuss panning techniques from seasoned expert panners
- Get your feet wet and try your luck panning for gold
