

HELICOPTER TOUR FLIGHT

Take a whirl in a whirlybird for a sky-high glimpse of the world that few people ever experience. Enjoy a panoramic view of the lush countryside and its historic splendor from inside a helicopter. This is not a hitch on just any old puddle jumper, but a luxurious ride where they roll out the red carpet for every flight, from history lessons to romantic sunset tours.

- Get an overview of the principles of flight, learn interesting facts about the helicopter and review safety procedures
- Experience first-hand maneuvers like hovering, take off, and landing
- Enjoy the panoramic scenery from the air taking in landmarks including Silverado Trail, Atlas Peak, San Pablo Bay, Mt. St. Helena and more
