

GOURMET DEMONSTRATION & WINE TASTING

Fillet, sauté and soufflé! Take a seat and watch a master at work as he prepares gourmet cuisine in an exciting, cooking demonstration. Bone-up on basics, learn time-tested techniques, and enjoy tasting two wines while an expert oenophile (translation: lover of wine) explains common expressions and key characteristics used to explain them. Learn how to pair the wines with a delicious tasting tutorial. Fish doesn't always mean white wine, nor does spaghetti always call for Chianti. Then sit down and relax. Wine, dine, and enjoy the meal!

- Begin with a short demo from a seasoned chef/instructor who will provide background and demonstrate techniques
- Learn how the food is paired with the wine selections of the day to maximize flavors and tastes
- Conclude your experience by finishing off your dishes, served with complementing wines
