

GREAT WHITE SHARK DIVE

Take the plunge! Fear and fun become one in the ultimate great white adventure. Embark on a shark dive and spend the day traveling off the California coast in search of these awesome animals. Sink down below the surface and come face-to-face with a unique array of sharks and marine life. A state-of-the art “hookah-style” respirator allows you to breathe normally underwater, while a strong, steel safety cage provides a safe barrier between you and these amazing predators.

- Meet at the dock early in the morning to board the boat
- Relax and travel comfortably for a 2.5 hour trip out off the California coast
- Talk to a expert shark diver and get a safety briefing before your dive
- Take turns, lowering down in the cage for an eye-to-eye encounter with these awe-inspiring animals
- Return to the dock in the early evening with an amazing shark tale to tell
- Includes continental breakfast, a hearty lunch, snacks and beverages
