

## LEARN TO JUGGLE

Everything's up in the air! Or at least that's how it should be. Discover the art of juggling with a private one-on-one lesson with a master juggler. Learn the patterns and techniques you need to know in order to toss, catch, and twirl objects into the air and keep them spinning. Whether you're new to juggling or an old hand, your lesson will be customized to meet your experience level and allow you to move at your own pace.

- Begin with a short demonstration from a master juggling instructor
- Learn the basics of three ball juggling, club spinning, and object balancing
- Take home your own juggling props and commemorative t-shirt
