

HOT STONE MASSAGE FOR TWO

Bring a partner and melt away the knots with an exquisitely relaxing hot stone massage. Luxuriate together in the restorative powers of spa therapy using the unique Native American massage technique of applying warm, smooth stones to release a soothing energy and enliven your spirits. If you're looking for a way to rejuvenate and revitalize, you owe yourselves this bonding experience of pure bliss!

- Arrive early and enjoy leisurely showers or unwind before your treatment
- Enter a beautiful couple's suite and feel your muscles unwind as knots are worked out with the smooth stones in simultaneous, gentle massage therapy sessions
- Bask in the penetrating warmth of the stones, side by side, as they are strategically placed at key body points to improve the flow of energy for each partner
