

CUSTOM FIT A GOLF CLUB

Grip it and rip it! Set your sights on longer, straighter shots with a new club that is custom fitted to your specifications. From set up to swing, a PGA pro will analyze your technique and make recommendations to help optimize your performance. Then, based on your physical attributes and swing pattern, a club or clubs of your choice will be customized to your specifications.

- Discover the difference a custom-built club makes in your swing
- Benefit from a professional evaluation of your current swing set up
- Get properly fitted for a club based on your unique characteristics
- Includes \$250 towards the custom club(s) of your choice
