

## LLAMA LUNCH TREK FOR KIDS

Take a llama to lunch along with a friend! Llamas often hum softly as they hike trails. You could find yourself humming too as you hike at your own pace along hilly trails and wooded paths while a gentle, sure-footed llama carries your gear. Their alertness for anything unusual and keen intelligence make them a perfect traveling companion. Take a break and feast on a delicious picnic lunch in a tranquil, natural setting. Don't forget your camera!

- Hike 4-5 miles through the hills with a lovable llama and an experienced naturalist guide to lead the way
- Enjoy amazing scenery, a chance to observe the native wildlife, and fresh mountain air as you learn how llamas are trained to serve a number of purposes
- Picnic lunch and blanket included
