

GUIDED MOUNTAIN HIKE

Take a hike – literally! Boot up and get beyond the Beltway with a scenic Shenandoah escape. Embark on a guided climbing exploration of rugged and rocky terrains and learn about the diverse flora and fauna you encounter along the way from master educators. Breathe in the fresh, mountain air and enjoy a panorama of hardwood forests and awe-inspiring views. While moderately strenuous in places, this hike can be enjoyed by anyone in reasonably good physical condition.

- Meet an experienced guide in the morning and gear up for your adventure
- Spend the day outdoors, exploring the Shenandoah mountains
- Includes use of walking stick and day pack
